Best Place to Stay in Goodyears Bar

Located on the beautiful north Yuba river and watched over by the majestic mountains of the Sierra Nevadas, Helm's St. Charles Inn is situated in the small peaceful community of Goodyears Bar. Originally known as The St Charles Hotel, the Inn was built in 1864 and served as the main stage-coach stop between Nevada City and Downieville. Many pieces of the original Hotel furniture are being used in the decor to help capture the feeling of rustic simplicity.

Fishing, fly fishing, hiking, swimming, rafting, mountain biking, gold panning or just relaxing by the river are a few of the leisurely past times that can be indulged in.

For the explorer, Downieville is just four miles away. Fine dining and browsing through the shops can be enjoyed there. Sierra City is seventeen miles away and just minutes beyond this is historical Gold Lake.

Along with Gold Lake, Packer and Sardine Lakes can be enjoyed. Just over the hill from Gold Lake is Greyeagle, which features some of the finest golf courses in the state.

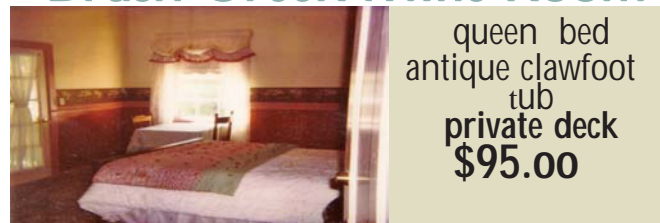

Currently the Inn offers four rooms. Each room is named after a gold mine in the area and is decorated accordingly. All rooms have a private bath.
